

Make a BLOODHOUND SSC TEST CAR

Instructions.

1. **Print out onto A4 card. (Or print onto paper, then stick onto card.)**
2. **Cut carefully along the dotted green line and hole punch the green circles.**
3. **Score along the black lines then fold up.**
4. **Apply glue to the blue striped sections and hold in place with paperclips until dry.**
5. **Cut garden sticks into 2 x 12cm lengths. Cut a straw into 2 x 7cm lengths.**
6. **Put each stick into a straw, and push through the axle holes.**
7. **Attach your prototype wheels to the axles to begin testing.**

BLOODHOUND SSC
